

Professional Advanced Scrum Master

Advancing the Knowledge and Abilities of Scrum Masters

This course is an advanced course helping students to understand the stances that characterize an effective Scrum Master and servant-leader while diving deep into how they serve the Development Team, Product Owner and organization. It teaches students about related practices and skills to enable them to have the right types of conversations and how to apply them to become better Scrum Masters. As a Scrum Master, part of your role is to help management and other stakeholders across your organization understand the benefits of Scrum and Agile. Therefore, it is imperative that you have the information and background that is needed to gain credibility in order to be an effective change agent.

TOPICS

- Effects on the organization of a successful Scrum Master
- Dealing with complexity and servant leadership
- Dealing with team conflict
- Removing impediments
- Facilitation techniques
- The Importance of a "Done" Increment
- The Sprint Goal
- Refresh the purpose of the Scrum Events
- The role of management in Scrum
- Successful product delivery
- Measurement in Scrum

- Understanding the challenges of middle management
- Scrum Master as a change agent

CERTIFICATION

This is an official Scrum.org course delivered by a certified Professional Scrum Trainer from Incrementor. Participants will receive a code to take the PSM II online certification assessment at the end of the course.

OBJECTIVES

Students will learn about areas critical to growing as a successful Scrum Master such as how the principles and values of Scrum help guide Scrum Masters in the decisions they make and how the Scrum Master can help change the environment of Scrum Teams, creating an environment for agility to thrive.

The Scrum Master role is complex and often, a Scrum Master must be able to apply different stances in order to be effective, such as:

- The Scrum Master as a Teacher
- The Scrum Master as a Coach & Mentor
- The Scrum Master as a Facilitator
- The Scrum Master as a Change Agent

AUDIENCE

This course was designed for experienced Scrum Masters and Agile Coaches who have a thorough understanding of the Scrum framework.
